- **Strong engagement:** Participants expressed intent to return frequently.
- **Areas for improvement:** Visuals (pictures, colours), loading speed,

PEGISUS WEBSITE FEEDBACK STATISTICS TABLE

Category	Positive Responses	Negative Responses	Neutral/No Response
First Impressions	12	0	0
Colors & Fonts Readable	12	0	0
Distracting Elements	8 (No)	4 (Yes)	0
Found What Needed	12	0	0
Navigation Confidence	11	1	0
Content Easy to Understand	10	2	0
Tone Trustworthy	11	1	0
Fast Loading	9	3	0
Broken Links	10 (No)	2 (Yes)	0
Mobile Accessibility	10	2	0

Strengths

- **Design:** Clean, formal, youth friendly.
- **Navigation:** Quick access (majority in 1 click).
- **Content:** Trustworthy tone, engaging topics (youth empowerment, gender inclusion, substance use prevention).
- **Engagement:** Homepage and “Where we work” are favourite sections.

Weaknesses

- **Visuals:** Limited, not colourful enough, and a lack of YAB member representation.
- **Performance:** Some slow loading and broken links.
- **Content gaps:** Vocational Training partners

Recommendations

1. **Enhance Visual Storytelling**
 - Add colorful, high-quality images.
 - Showcase YAB members and youth involvement.
2. **Optimize Performance**
 - Improve loading speed.
 - Fix broken links and ensure mobile responsiveness.
3. **Boost Engagement**
 - Share youth stories and empowerment initiatives.
 - Use more vibrant headings and larger fonts for readability.
